TO WHOM IT MAY CONCERN:

Timothy Hladky, dba Landmark Painting, completed two projects for me in the last 2 years and did an excellent job on both of them. The first project involved my expansive law office building at 93 Pleasant St., Brunswick, Maine, which is a very old wooden structure that badly needed repainting. Tim did a meticulous job, and I have been very pleased with the result. The following summer, Tim repainted my house. Though that project was not nearly as difficult or time consuming, again I was impressed with Tim's professionalism and skill. In summary, I highly recommend Tim Hladky as a skillful, conscientious, courteous and honest painting contractor.

To whom it may concern:

I would highly recommend Tim Hladky's work. Twice he painted the large metal roofs of our house and barn (in approximately 2003 and in 2012).

He was completely professional in all respects:

- 1) he outlined clear expectations regarding payment schedule
- 2) he adjusted to my seasonal business
- 3) he submitted invoices for material he bought
- 4) he was unfailingly courteous and dependable in doing the work and cleaning up

Mr. Hladky provided exceptionally high quality work, often going "above and beyond" the minimum expectations when asked:

- 1) he prepared the roof, scraping rusting patches
- 2) he took down a bent weather vane from the barn cupola, found a place to repair it, and reinstalled it
- 3) he cleaned unreachable clogged gutters

It was a pleasure to do business with him!

Sincerely, Phyllis T.

Letter of Reference – Tim Hladky, Landmark Painting

June 17, 2014

Tim Hladky has done several painting jobs for my company including my two private residences. Most recently these include:

-Commercial building painting at 111 Centre Street, Bath, Maine

-Commercial building painting at 433 Bath Road, Brunswick, Maine

For both jobs, Tim's total work was very professional. He properly researched the right paint solution to ensure the job lasted. He also properly prepared the sites and took all necessary precautions to ensure there was no over spray on any of the surrounding property or vehicles.

I would recommend Tim highly.
